## Raise the Roof!

### The Challenge

500 HAPI Peace Pals are preparing for September 26 International Day of Peace Celebration. Note their bright, expectant smiles! They want to learn, dance and sing in HAPI's Peace Park pavilion. Roof work has begun, but...

**\$3500** is needed **NOW** to **RAISE** the **ROOF**  
\$7 per child. *Do you have 499 friends in your network?*

**\$7 per child**

A friend recently wrote:

"Simply put, confidence is a belief in ourselves and our abilities. When we are sure of ourselves, we are able to be a better parent, employee, and leader as well as a more faithful Christian. Confidence-building starts as soon as we are born. Parents are instrumental in forming our self-worth when they create a safe, supportive environment, provide the necessities of life, and encourage their children to become all that God created them to be.

**Goal \$3500**

...nothing destroys confidence as self-worth more than poverty or instability in the home. Children who do not have good role models, steady support systems, or the opportunity for an excellent education often spend years learning how to believe in themselves." ~Rev. Laurie Haller, [Leading from the Heart](#).
